Hi All,

In order to coordinate our clean team's work for NOB, can you please tell us what type of cleaning NOB has arranged to happen during and after the event?

My understanding is that last year, the BID provided one additional Chrysalis worker from 5:00 – 9:00 pm the night of the event and another additional worker Sunday, 5:00 am – 9:00 am to make sure the district was looking good for Farmer's Market. The BID was only responsible for sidewalks and receptacles on sidewalks until 9:00 pm night of (not the street). The City did the street until 9:00 pm and then took over street and sidewalk once our shift ended.

Thanks,

Noah
